

Inverclyde Alliance

AGENDA ITEM NO: 6

Report To:	Inverclyde Alliance Board	Date:	16 March 2020
Report By:	Louise Long Lead Officer for Inequalities	Report No:	
Contact Officer:	Lynsey Logsdon	Contact No:	N/A
Subject:	Locality Planning Progress Report		

1.0 PURPOSE

- 1.1 The purpose of this report is to provide the Alliance Board with an update on the progress that has been made with the implementation of locality planning.

2.0 SUMMARY

- 2.1 This report provides details of the progress that has been made with regard to the implementation of locality planning between November 2019 and January 2020.
- 2.2 A flash report has been compiled to provide an overview of the progress that has been made and this is contained within Appendix 1 of this report. Flash reporting is the performance reporting method used for the Local Outcome Improvement Plan (LOIP).
- 2.3 During the last quarter, significant progress has been made with the development of Locality Action Plans for Greenock South and South West, Port Glasgow and Greenock East and Central.
- 2.4 Significant progress has also been made with regard to the establishment of Communication and Engagement Groups. A successful event was held in Port Glasgow to recruit members of the local community to join the Port Glasgow Communications and Engagement Group and the first meeting of the group will take place in mid-February.
- 2.5 The next steps are to:
- Draft Locality Action Plans for the remaining localities of Kilmacolm and Quarriers Village, Greenock West and Gourock and Inverkip and Wemyss Bay.
 - Hold events in Greenock East and Central and Greenock South and South West before the end of February to set up their Communications and Engagement Groups.
 - Pilot the establishment of a Locality Planning Group in Port Glasgow.

3.0 RECOMMENDATIONS

- 3.1 It is recommended that the Alliance Board notes the progress that has been made with the implementation of locality planning.

Aubrey Fawcett
Chair, Programme Board
Chief Executive, Inverclyde Council

4.0 BACKGROUND

- 4.1 The Community Empowerment (Scotland) Act 2015 placed a statutory requirement on the Inverclyde Alliance to develop locality plans for the communities of Inverclyde that experience the greatest inequalities.
- 4.2 In addition, the Public Bodies Joint Working (Scotland) Act 2014 placed responsibility on the HSCP in relation to locality planning. Health and Social Care Partnerships must set up two or more localities and the localities should be established to enable service planning at a local level within natural communities.
- 4.3 Inverclyde Alliance and the HSCP have been working together to put in place arrangements for locality planning that meet the needs of both pieces of legislation.
- 4.4 Inverclyde Alliance and the HSCP have agreed to establish the following six localities to ensure that the whole of Inverclyde has the opportunity to participate in locality planning:
- Kilmacolm and Quarriers Village
 - Port Glasgow
 - Greenock East and Central
 - Greenock South and South West
 - Greenock West and Gourock
 - Inverkip and Wemyss Bay
- 4.5 The model for locality planning that both the Alliance Board and the IJB have approved is to have a Locality Planning Group (LPG) in each of the six localities, along with a Communications and Engagement Group in each locality that will sit underneath the LPG. The Communications and Engagement Groups will be responsible for developing local communications and engagement plans, implementation of these plans, and embedding involvement and engagement with staff and local communities as part of our day-to-day business. This will build on existing relationships with communities.

5.0 PROGRESS

- 5.1 A flash report has been compiled to provide an update on the progress that has been made with regard to the implementation of locality planning during the last quarter, November 19 to January 2020. This is to ensure consistency with the Local Outcome Improvement Plan (LOIP) as flash reporting has been adopted as the method of reporting on the delivery of the LOIP. The flash report for locality planning is contained within Appendix 1 of this report.
- 5.2 Significant progress has been made during the last quarter. The highlights include:

Locality Action Plans

- The Greenock South and South West Locality Action Plan has been fully developed and published on the Council's web site. It can be accessed via the following link <https://www.inverclyde.gov.uk/council-and-government/community-planning-partnership/localities/greenock-south-south-west> In addition, a copy of the Locality Action Plan for Greenock South and South West is contained within Appendix 2.
- The Port Glasgow Locality Action Plan has been drafted and is currently being graphically designed.
- The Greenock East and Central Locality Action Plan has been drafted and circulated to partners for comment and feedback.

Communication and Engagement Groups

- A working agreement between Inverclyde Alliance, the HSCP and third sector partners supporting Locality Communications and Engagement Groups has been agreed by all partners.
- Your Voice, along with representatives from Inverclyde Alliance and the HSCP hosted an event in Port Glasgow on the 22nd of January. Interested members of the community came along to find out more about locality planning and how they could get involved by joining the Port Glasgow Communications and Engagement Group. Approximately 12 attendees signed up to be a member of the group and the first meeting took place on the 19th of February.

6.0 NEXT STEPS

6.1 The next steps are to:

- Progress with the development of Locality Action Plans for the remaining localities of Kilmacolm and Quarriers Village, Greenock West and Gourock and Inverkip and Wemyss Bay. In addition, the Port Glasgow and Greenock East and Central Locality Plans will be published on the Council's web site once all comments and feedback from partner organisations have been incorporated and the plans have been graphically designed.
- Events will be held in Greenock East and Central and Greenock South and South West to recruit members of the community to join the Communications and Engagement Groups in these localities.
- Work will begin on establishing a pilot Locality Planning Group in Port Glasgow.

6.2 A number of workstreams will be progressed to support and enable the implementation of the next steps which are outlined in the paragraph above. For example:

- An organogram will be developed to illustrate the role and function of the Communications and Engagement Groups and the Locality Planning Groups, along with a revised terms of reference for both groups.
- A training and induction programme will be developed for members of the Communication and Engagement Groups and Locality Planning Groups.
- A Communications and Engagement Strategy for locality planning will be developed.

7.0 IMPLICATIONS

7.1 Legal: none at present
Finance: none at present
Human Resources: none at present
Equality and Diversity: none at present
Repopulation: repopulation remains a key priority within the Inverclyde Outcomes Improvement Plan.
Inequalities: the Locality Partnerships will be working specifically to tackle inequalities on a geographic basis.

1 - Introduction

Welcome to Greenock South and South West's locality plan.

The development of this plan is part of a new approach being adopted by Inverclyde Alliance, the area's Community Planning Partnership and Inverclyde Health and Social Care Partnership are working with local communities to plan and deliver services that will make a real difference to the lives of people in Greenock South and South West.

The Community Empowerment (Scotland) Act 2015 placed a legal duty on Inverclyde Alliance to demonstrate that it is making a significant difference to the lives of residents through the planning and delivery of local outcomes and the involvement of community bodies at all stages of community planning. In addition, the Public Bodies (Joint Working) (Scotland) Act 2014 (the Act) puts in place the legislative framework to integrate health and social care services in Scotland. Section 29(3)(a) of the Act requires each Integration Authority to establish at least two localities within the area.

Both these pieces of legislation have provided the opportunity for Inverclyde Alliance and Inverclyde Health and Social Care Partnership to develop six locality plans for the localities listed below.

- Kilmacolm and Quarriers Village
- Port Glasgow
- Greenock East and Central
- Greenock West and Gourrock
- Greenock South and South West
- Inverkip and Wemyss Bay

The purpose of this locality plan is to outline the key issues in Greenock South and South West that have been identified through the statistical information we hold for this locality, as well as extensive engagement with the community.

The locality plan also identifies a range of actions that will be taken to address these issues by both Inverclyde Alliance and the local community in Greenock South and South West working together.

Locality plans should be informed by communities themselves and work is ongoing to set up locality planning groups who will help us to finalise the development of the plans and work with us to deliver them.

The locality plans, and the locality groups, will help to inform and take forward participatory budgeting (PB) in Inverclyde. PB is a way for people to have a direct say in how local money is spent.

This is an exciting opportunity for anyone who would like to get actively involved in the way services are delivered in the future and shape how their local community might look in the future.

Public bodies cannot do this alone, we need to listen to what local people say is important to them and include your views as we plan ahead together.

2 - Locality planning principles

Inverclyde Alliance and the Health and Social Care Partnership agree that the principles for locality planning should be:

- To engage with communities to develop and progress plans for the locality building on community assets.
- To bring community planning public sector partners together with communities to work together to bring about change.
- To co-ordinate and pull together community engagement processes and feedback.
- To work with communities to develop solutions to the issues identified by them.
- To share information across communities and partners.
- To make best use of and share resources.
- To take forward the Health and Social Care Partnership (HSCP) locality planning structures and any other locality based approaches to service delivery.
- To take forward the requirement of Community Empowerment (Scotland) Act 2015.
- Support development of participatory budgeting.
- To meet any future demand from communities or requirements set out by national or local government.

3 - Locality planning membership

The locality plan will be driven by the locality partnership.

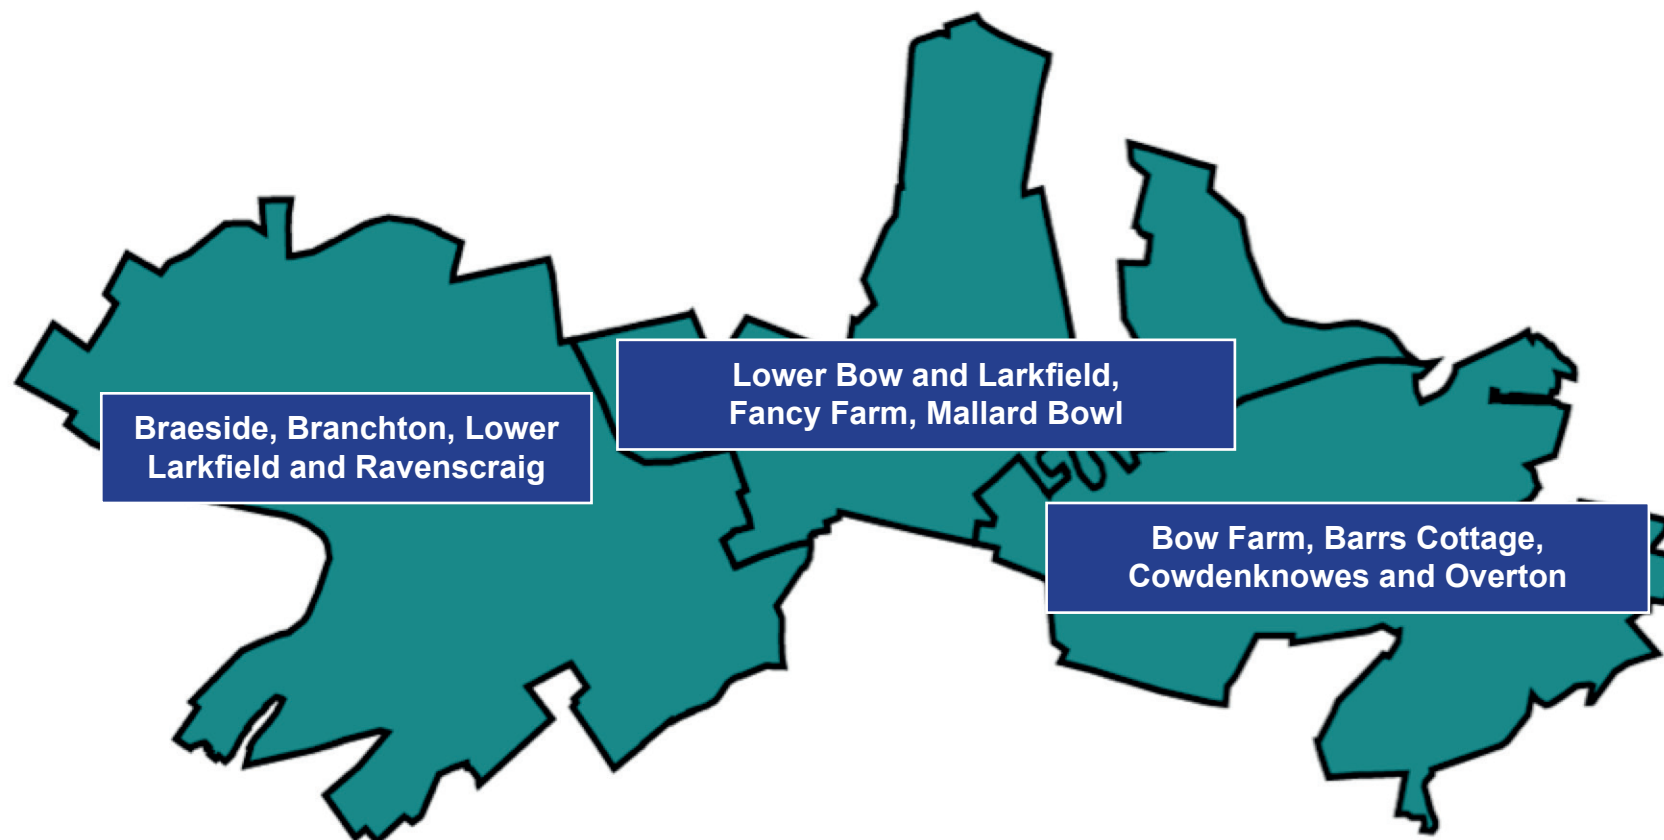

Each locality partnership will consist of:

- The chair
- Elected members for the locality
- Representatives of the third sector (Branchton Community Trust)
- Inverclyde Council community learning and development (CLD) link officer(s)
- Health and Social Care Partnership (HSCP) link officer(s)
- Police Scotland representative
- Scottish Fire and Rescue representative
- Chairs of Community Councils
- Community members
- Representative of the housing sector
- Representative of carers and patients
- Health and social care professionals e.g. GP's, pharmacists, practice nurses

This list is not exhaustive and as each locality partnership develops then more members maybe invited or co-opted onto the partnership.

4 - Greenock South and South West area profile

Population

- The estimated population of Greenock South and South West in 2017 was 18,842. (Source: National Records of Scotland)
- 48% of the population is male and 52% female. (Source: National Records of Scotland)

Health

- The early mortality rate, that is death rates for those aged 15-44 was 204.7 per 100,00 in 2016-18. Higher than the Inverclyde figure of 146.1 per 100,000. (Source: National Records of Scotland)
- Greenock South and South West has a higher mortality rate per 100,000 than Inverclyde HSCP for deaths from alcohol conditions, early deaths from cancer and early deaths from coronary heart disease. (Source: National Records of Scotland)
- The rate per 100,000 population for emergency admissions is higher than the figure for Inverclyde as a whole. (9,742 versus 8,528) (Source: ISD/SMR01)

Challenges in Greenock South/South West

- The percentage of children living in low income families within Greenock South and South West was 24% in 2016. (Source: Scottish Government/Open Data)
- In Greenock South and South West 8,765 individuals (47%) live in one of the most educationally deprived data zones in Scotland. For Inverclyde HSCP this figure is 32%. (Source: SIMD 2016)
- The % of babies reported by the parent as being exclusively breastfed at 6-8 weeks post birth in Greenock South and South West between 2015/16 and 2017/18 was 8%. Much lower than Inverclyde as a whole at 15%.

- 62% of the population of Greenock South and South West live in an area that is identified at one of the most deprived in Scotland. (Source: SIMD 2016)
- 62% of the population of Greenock South and South West live in an area where high percentages of people are employment deprived. (Source: SIMD 2016)
- 60% of the population of Greenock South and South West are income deprived. (Source: SIMD2016)

Environmental challenges

- 88.9% of residents in Braeside, Branchton, Lower Larkfield and Ravenscraig live within 500 metres of a derelict land site. 63.8% of residents within Lower Bow, Larkfield, Fancy Farm and Mallard Bowl and 74.8% of residents in Bow Farm, Barrs Cottage, Cowdenknowes and Overton. (Source: Scotpho Onlines Profile Tool)
- 50% of residents in Greenock South and South West live in areas seemed most deprived in regards to crime. (Source: SIMD 2016)
- Housing deprivation is based on whether households are overcrowded or have no central heating. 59% of residents in Greenock South and South West are affected by housing deprivation. (Source: SIMD 2016)

5 - Engaging with the community of Greenock South and South West

Extensive engagement has been carried out with residents in Greenock South and South West to find out what they think about living in the area and identify what improvements they would like to see take place.

Our place our future (2017)

In 2017 Inverclyde Alliance carried out a survey across Inverclyde called 'our place our future' which delved into a wide range of themes from traffic and parking, streets and spaces, to work, care, housing and local amenities.

There were 251 responses from residents living in Greenock South and South West to the 'our place our future' survey. Respondents were asked to rate how satisfied they were with various aspects of living in Greenock South and South West on a rating of 1-7 where 1 represents not at all satisfied and 7 represents very satisfied.

Based on the overall average scores, satisfaction levels were highest with:

- Natural space (4.7)
- Public transport (4.7)

The lowest scoring area in terms of satisfaction was:

- Care and maintenance (3.8)
- Influence and sense of control (3.7)
- Traffic and parking (3.5)

People were asked what you like about your locality:

- Good community spirit
- Good quality schools
- Branchton community centre
- Improved housing
- Good neighbours
- Attractive greenspace

People were asked about their concerns regarding the locality:

- Feel less safe outside in the evenings
- Derelict buildings spoil the area
- Poor pavements & footpaths
- Dog Fouling
- Expensive & unreliable bus service
- Lack of quality jobs available in the area
- Lack of facilities for teenagers

Engagement with people for the HSCP strategic plan 2019-2020 The six 'big actions'

Inverclyde HSCP is built on established integration arrangements. The vision, values and six 'big actions' have been shaped through a wide range of mechanisms of engagement, to reach as many local people, staff and carers as possible. The HSCP have also undertaken targeted engagement with the children and young people of Inverclyde to ensure that their voices are heard.

- **Big action 1** - Reducing inequalities by building stronger communities and improving physical and mental health.
- **Big action 2** - A nurturing Inverclyde will give our children and young people the best start in life.
- **Big action 3** - Together we will protect our population.
- **Big action 4** - We will support more people to fulfil their right to live at home or within a homely setting and promote independent living, together we will maximise opportunities to provide stable sustainable housing for all.
- **Big action 5** - Together we will reduce the use of, and harm from alcohol, tobacco and drugs.
- **Big action 6** - We will build on the strengths of our people and our community.

Engagement with young people for the HSCP strategic plan 2019-2020

219 children from across Inverclyde gave the HSCP their views and identified eight priorities and actions that are important to them. These included:

- Life skills education
- Inter-generational participation
- Recovery: celebrating and supporting recovering communities
- Feeling safe and building relationships
- Mental health support, self-care and education
- Addiction: utilising people with lived experience as an educational resource
- Affordability and visibility of services / activities locally.
- Compassion and kindness

‘Celebrate the present, shape the future’ event September 2019

In 2019 Inverclyde Alliance held a series of engagement events across all six localities in Inverclyde called ‘Celebrate the past, shape the future’. The Greenock South and South West event was hosted at Inverclyde Academy on 7 September 2019 and was attended by more than 500 people.

Residents in Greenock South and South West told us that the issues of most concern to them are:

- The provision of parks and play areas
- Activities and facilities for young children and teenagers
- The provision of groups and activities to support health and well being
- Transport and parking provision
- Feeling safe

6 - Greenock South/South West locality priorities

As a result of the extensive engagement that has taken place the following priorities will be taken forward through the locality plan for Greenock South/South West.

- Children have access to good quality parks and play areas
- Children and young people are engaged in activities in Inverclyde that promote wellbeing
- Improve health and wellbeing for people of Greenock South and South West
- People of Greenock South and South West are able to access improved transport and parking across Inverclyde.
- People of Greenock South and South West feel safe to go out at night.

Specific actions relating to Greenock South and South West are outlined in the Locality Action Plan in section 9.

7 - Community assets

Greenock South and South West has a range of physical assets and details of these are contained within the table below. It is important that these assets are fully utilised for the benefit of residents in Greenock South and South West and that consideration is given as to how these assets could be better used in order to improve the quality of life and deliver better outcomes for local people.

People assets (Voluntary / Community Groups)

Greenock Southwest Community Council (last Wed of month, alternates between St Joseph's & St Margarets churches)
