<b>Archival History</b>	The records of the Burgh of Gourock were transferred to Inverclyde District Council c. 1975.
<b>Scope &amp; Content</b>	The collection includes: manuscript minute books and published minutes of the Town Council (1899-1962, 1964-1970, 1971-1972, 1973-75) and many of its committees, departments and trusts (1855-1960); ledgers, journals, account books, cash books and other manuscript financial papers and volumes (c.1856-1975); published Abstracts of Accounts (1880, 1882-1886, 1888, 1894-1909,

	<p>1946-1956, 1959, 1960-1964, 1968, 1971-1972); letter books and correspondence received (1858-1954); Rates Assessments Rolls (1879-91, 1893-1902, 1903-61, 1962-70).</p> <p>Also in the collection are a large number of registers of licenses for various trades, material relating to water, fire and other public works, Town Council handbooks and other items relating to the activities of the Burgh's statutory bodies. Other material includes cuttings books (1903-1956).</p> <p>Large parts of the collection are given over to the following topics: housing and planning, including Dean of Guild Court records (1855-1960) and correspondence, reports, plans and other papers relating to mid 20th-century housing schemes; Police Court records (1893-1952); Second World War records, including billeting survey forms, receipts and registers, papers relating to the Special Evacuation Scheme, civil defence, air raid precautions and fire prevention.</p>
<b>Appraisal, Destruction</b>	Material to be held in the permanent collection of the receiving institution.
<b>Accruals</b>	It is likely that further Burgh material will emerge from within Inverclyde Council.
<b>System of Arrangement</b>	<p>The records have been arranged under the broad departmental headings which existed at the time of the SRO survey of 1969. Alterations to the original running order of this survey have been in order to represent the workings of the Burgh more coherently.</p> <p>The records have been arranged into three sub-fonds based around the broad</p>

departmental headings which existed at the time of the SRO survey of c. 1969.
