

# New Greenock Health Centre

Welcome to our newsletter, which aims to keep you up-to-date with what is happening on our site.

Newsletter No. 08– 07 November 2020

## What we're building

Greenock's new Health Centre has been classed as an essential project by the NHS and has therefore remained open during the Covid-19 pandemic. Due to this we have also been asked to extend our working hours at weekends and during the week. We will restrict the majority of this to internal works.

## Current progress

The external landscaping is nearing completion. The internal fit out works are also well underway with works ongoing on all four levels.

For more details about BAM visit:

## Progress Photographs

## What's coming up?

The majority of the building works are due to complete in December with the building handing over to the NHS in January 2021.

Thereafter the commissioning period will run to late March, when the new centre will open.

## Contacting the site team

If you have any questions or concerns about what is happening at site, please contact the Project Manager, Will McElhaney, or call us on Tel: 07770 524 972/ 07827 308 190 or email: [wmcclhaney@bam.co.uk](mailto:wmcclhaney@bam.co.uk)

## About BAM

BAM Construction is part of BAM Construct UK which is one of the country's largest construction services organisations with a turnover of more than £900 million. We operate throughout England, Scotland and Wales. Our European parent company is Royal BAM Group which employs over 25,000 people worldwide and has a turnover of €7billion.
