### 3.0 BACKGROUND AND CONTEXT

3.1 In terms of section 6 of the Licensing (Scotland) Act 2005 (“the 2005 Act”) the Licensing Board Policy Statement was approved by the Licensing Board at its meeting on 26 October 2023. Prior to approving its Policy Statement the Board carried out a public consultation and consulted with relevant stakeholders, including Police Scotland and the Alcohol Licensing Forum. The Board’s Policy Statement was considered by the Board at public meetings on 28 June, 1 August, and 18 September 2023. 3.2 At its meeting on 26 October 2023 the Board agreed the terms of its Children and Young Person’s policy as set out in section 9.3 of its Licensing Board Policy Statement. The 2005 Act defines a “child “ as a person aged 15 years or younger, and a “ young person “ as a person aged 16 or 17 years of age. A copy of the existing conditions which may be imposed on a premises licence or an occasional licence where children are to be allowed entry are set out in **Appendix 1** to this report with a copy of the previous conditions in place until 26 October 2023 set out in **Appendix 2**.

3.3 In terms of the existing Children and Young Person’s policy, the conditions which may currently be imposed when granting a premises licence or when granting an occasional licence where children and young persons are to be allowed entry are as follows:

(i) Children shall be accompanied and supervised by a suitable adult or adults when they are in licensed premises as follows:

- Children may be in licensed premises until 8pm;
- Children may be in licensed premises between 8pm and 11pm while they and/or the accompanying adult(s) are having a meal;
- Children may be in licensed premises between the hours of 8pm and 1am while accompanied and supervised by a suitable adult or adults whilst attending **a family orientated private function** (such as weddings, golden anniversaries or special birthday celebrations e.g. an 18<sup>th</sup> birthday party)

In terms of the previous Children and Young Person’s policy, prior to the Board’s decision on 26 October 2023, the following conditions applied:

- Children may be in licensed premises until 8pm;
- Children may be in licensed premises between 8pm and 11pm while they and/or the accompanying adult (s) are having a meal;
- Children may be in licensed premises between the hours of 8pm and 11pm while attending **a function** such as a wedding or an 18<sup>th</sup> birthday party.

3.4 It was previously considered by Licensing officers that the previous condition permitting children to be present within licensed premises between 8pm and 11pm was sufficiently wide as to permit children to be present in Licensed premises for non family related events, such as, but not restricted to, award ceremonies and events held within the local Town Halls and other venues.

## 4.0 PROPOSALS

4.1 In terms of the existing Children and Young Person's Policy children cannot be within licensed premises after 8pm unless they are having a meal or attending a family orientated function. There is currently no provision for children to attend non family orientated functions, such as award ceremonies, charity events or functions in the local Town Halls. Members are requested to consider the conditions in the most up to date Children and Young Person's Policy within the Licensing Board Policy Statement in relation to the presence of children in licensed premises and determine whether any amendment to the existing policy conditions are considered appropriate.

## 5.0 IMPLICATIONS

5.1 The table below shows whether risks and implications apply if the recommendation(s) is(are) agreed:

There is a potential risk of legal challenge in relation to the Board's Children & Young Person's Policy if children are unable to be in licenced premises after 8pm unless they are having a meal or attending a family orientated function,

### 5.4 Human Resources

None.
