The Local Government (Allowances and Expenses) (Scotland) Regulations 2007, require the Council to keep a record of payments made to Members and to publish the information for the preceding year by 1 June. Payments to Members of Inverclyde Council for the year ending 31 March 2024 were:

Remuneration

Under the Local Governance (Scotland) Act 2004 (Remuneration) Regulations 2007, there are four levels of remuneration payments for Councillors, depending on the responsibilities of the Councillor. These are Leader of the Council, Provost, Senior Councillor and Councillor. A Senior Councillor is a Councillor who holds a significant position of responsibility in the Council's Political Management Structure. All other Councillors, other than the Leader of the Council and the Provost, will receive the basic remuneration as prescribed by the Regulations. Remuneration is subject to income tax and national insurance deductions

Salary costs are subject to tax and national insurance and expenses relate to the reimbursement of actual expenditure incurred by the Councillor

Travel and Subsistence

These are paid at rates determined by Regulation. Councillors may claim costs incurred when travelling on approved duties. The total amount of these payments will vary from Councillor to Councillor, depending on a number of factors. These factors include the distance that they live from Council Headquarters (which affects the amount of travelling required to attend the meetings of the Council), the area covered by their Ward and whether they represent the Council on external bodies such as COSLA and Police and Fire Boards. Councillors may claim subsistence when they are carrying out Council business away from home outwith their Ward or away from Council premises.

Telephone Allowances

The element of the Councillor's telephone expenses that relates directly to their duties as a Councillor is reimbursed. The level will vary from Councillor to Councillor depending on the amount of Council business that they conduct over the telephone.
