Ship Index

This index covers ship stories that appeared in newspapers in the Greenock and Port Glasgow area from the start of the nineteenth century onwards. It is provided to researchers as a reference resource to aid the searching of these historic publications which can be consulted, preferably by prior appointment, at the Watt Library, 9 Union Street, Greenock.

The copyright in this index is owned by the Watt Library, Greenock / Inverclyde Council to whom application should be made if you wish to use the index for any purpose apart from personal research.
