

Choosing a Book

The Five Finger Rule

Find a book you like.
Find a page with lots of
words.

Make a fist with your hand.
Read the page and put a
finger up every time you
don't know a word.

**How many fingers do you
have up at the end of the
page?**

0 fingers: this book is
probably **too easy** for you

1-3 fingers: this book is **just
right**

4 fingers: this book will be
challenging

5 fingers: this book might be
too hard for now
