

Contaminated Land

- Register for Determined Contaminated Land Sites

The enforcing authority is required under Section 78R(1) of *Part IIA* of the *Environmental Protection Act 1990*, to maintain a public register for sites determined Contaminated Land containing the following particulars;

- Remediation notices served by that authority
- Appeals against any such remediation notices
- Issued remediation statements or remediation declarations
- Appeals against charging notices served by that authority
- Notices concerning the designation of land as a special site or notices terminating the designation of such land
- Notifications given to that authority regarding claims on what has been done by way of remediation
- Convictions for the offence of failure to comply with a remediation notice
- Any such other matters relating to contaminated land as may be prescribed

Inverclyde Council currently has no determined Contaminated Land sites
