

Do you have 2 free hours per week to help someone new to Inverclyde learn everyday English?

If so, would you like to train to be a Volunteer ESOL Tutor?
(English for Speakers of Other Languages)

Community Learning & Development's (CLD), Adult Learning & Literacies Team are looking for volunteers to join their ESOL team.

No tutoring experience, or ESOL teaching qualifications are required as all new Volunteer Tutors will be given all the training they need to support ESOL learners on the FREE 2 day introductory course.

Participants must be confident with their own writing and speaking skills in English and be aged 16 or over.

The next course will be on Thursday 17th & Friday 18th March.

If you have daytime availability and would like to find out more about this course, or any other free courses CLD offer, please contact us on 01475 715481 or CLD.Admin@inverclyde.gov.uk
