1. Introduction

Inverclyde Council believes in, and is committed to, the principle of equality of opportunity. The Council recognises its responsibilities as a community leader, service provider and employer to encourage the fair treatment of all individuals and to tackle social exclusion and inequality. It also recognises the benefits this brings to the community, the Council and its employees.

The vision for the Inverclyde area is 'Getting it Right for Every Child, Citizen and Community'. This means that the Council and its partners will work in partnership to create a confident, inclusive Inverclyde with safe and sustainable, healthy, nurtured communities, and a thriving, prosperous economy, with active citizens who are resilient, respected and responsible and able to make a positive contribution to the area. The eight local outcomes, which the Council has adopted as its core strategic outcomes are:

1. Inverclyde's population is stable with a good balance of socio-economic groups.
2. Communities are stronger, responsible and more able to identify, articulate and take action on their needs and aspirations to bring about an improvement in the quality of community life.
3. The area's economic regeneration is secured and economic activity in Inverclyde is increased, and skills development enables both those in work and those furthest from the labour market to realise their full potential.
4. The health of local people is improved, combating health inequality and promoting healthy lifestyles.
5. A positive culture change will have taken place in Inverclyde in attitudes to alcohol, resulting in fewer associated health problems, social problems and reduced crime rates.
6. A nurturing Inverclyde gives all our children and young people the best possible start in life.
7. All children, citizens and communities in Inverclyde play an active role in nurturing the environment to make the area a sustainable and desirable place to live and visit
8. Our public services are of high quality, continually improving, efficient and responsive to local people's needs.

There are also a series of wellbeing indicators, which the Inverclyde Alliance has adopted, and which have been adapted and expanded from 'Getting it Right for Every Child' covering the core areas of Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included (SHANARRI).

These indicators are set out in the Single Outcome Agreement and are as follows:

Safe	Protected from abuse, neglect or harm and supported when at risk. Enabled to understand and take responsibility for actions and choices. Having access to a safe environment to live and learn in.
Healthy	Achieve high standards of physical and mental health and equality of access to suitable health care and protection, while being supported and encouraged to make healthy and safe choices.
Achieving	Being supported and guided in lifelong learning. Having opportunities for the development of skills and knowledge to gain the highest standards of achievement in educational establishments, work, leisure or the community.
Nurtured	Having a nurturing place to live and learn, and the opportunity to build positive relationships within a supporting and supported community.
Active	Having opportunities to take part in activities and experiences in educational establishments and the community, which contribute to a healthy life, growth and development.
Respected & Responsible	Respected and shared responsibilities. Citizens are involved in decision making and play an active role in improving the community.
Included	Overcoming social, educational, health and economic inequalities and being valued as part of the community.

The delivery of outcomes across the Council should also take into consideration how they impact on the above wellbeing indicators.

Our Nurturing Inverclyde approach aims to get it right for every child, citizen and community, and this includes how we ensure that people with protected characteristics are safe, healthy, achieving, nurtured, active, respected, responsible and included. There are particular issues for those with protected characteristics within these wellbeing outcomes. For example, keeping people safe from hate crime, ensuring that leisure services are accessible and making sure that no-one is excluded from being a valued part of the communities of Inverclyde.

1.1 Our Legal Obligations

The Equality Act 2010 replaces previous anti-discrimination laws with a single Act. The majority of the Act came into force on 1 October 2010. Prior to the Equality Act 2010, there were three separate public sector equality duties covering race, disability and gender. The Equality Act 2010 replaced these with a new single public sector equality duty covering the protected characteristics of race, sex, disability, sexual orientation, religion and belief, age, gender reassignment, and pregnancy and maternity. The equality duty consists of a general duty and specific duties. The purpose of the specific

duties is to enable better performance of the general duty. The legislation also covers marriage and civil partnerships but only for the first aim of the general duty.

General Duty

The general duty came into effect on 5 April 2011 and has three aims. It requires public bodies to have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and any other conduct prohibited by the Equality Act 2010
- advance equality of opportunity between people from different groups
- foster good relationships between people from different groups

Due regard means it is necessary to consciously consider the three aims of the general duty as part of the process of decision-making. Whilst there are many examples of work undertaken to tackle unlawful discrimination, the role of public bodies in advancing equality and fostering good relations is less developed. Greater emphasis requires to be placed on how we engage with people who may be experiencing barriers to accessing services or opportunities as a result of a lack of support or thought in relation to their particular requirements, eg a disability or pregnancy and maternity.

Specific Duties

Specific duties came into effect on 27 May 2012. The specific duties require public bodies to set specific measurable equality objectives and to publish information about their performance on equality, so that the public can hold them to account. All information must be published in a way that makes it easy for people to access it.

Public bodies covered by the specific duties must:

- set specific measurable equality objectives and publish information about their performance on equality
- publish sufficient information to show they have considered the three aims of the general duty across their functions
- publish evidence of equality analysis undertaken to establish whether their policies and practices would further, or have furthered the three aims of the General Duty
- gather, use and publish employment information
- publish gender pay gap information
- publish an equal pay statement
- consider award criteria and conditions in public procurement

1.2 Equalities Governance and Organisational Culture

The Equalities remit sits with the Head of Education within the Education, Communities and Organisational Development Directorate. The Corporate Equalities Group is chaired by the Head of Education and its terms of reference are to reinforce and progress the Council's commitment to equalities and in doing so comply with associated legislative requirements.

The role of the Corporate Equalities Group is to:

- drive the Council's commitment to equalities consistently across all services to ensure better equality outcomes
- ensure we are meeting our legislative duties as outlined in the Equality Act 2010
- establish a robust performance and planning framework for equalities

The focus of the Corporate Equalities Group meetings is primarily on understanding and ensuring compliance with the legislative duties arising from the Equality Act 2010. The Group also monitors progress against the published equality outcomes, facilitates support for staff directly involved in delivering the outcomes, and offers relevant services an opportunity to showcase work or projects that relate directly to one or more of the protected characteristics.

1.3 Supporting Education Services to Meet General Duty and Specific Duties

The Equalities Officer is located within Education Services but works alongside all directorates and services to help build capacity to effectively mainstream equality and diversity within Inverclyde Council.

Specific examples of interventions for Education Services have included:

- An option for refresher training for appropriate staff.
- Working alongside staff when conducting equality impact assessments to ensure that due regard is being considered appropriately
- Delivering general equalities training to a wide range of staff, including a session with all Heads of Educational Establishments
- Bringing in Nil by Mouth to deliver a series of training sessions on anti-sectarianism
- Extending an existing contract with Language Line to provide a telephone interpretation service with training for all relevant staff
- Providing support for individual cases where equality considerations may become a potential issue.

The legislation requires the Education Authority to publish its equality outcomes and mainstreaming report separately from its partnering local authority and this report is therefore a complementary report to the Inverclyde Council Mainstreaming Report.

2. Education Equality Outcomes

The Education Equality Outcomes were produced in 2013 by an Education Focus Group which consisted of one Depute Head Teacher, a secondary school teacher, 2 Primary Head Teachers and an early years member of staff, as well as representation from Psychological Services, CLD and the teacher trade unions.

Education Outcome 1 – All children and young people get the support that they need in relevant areas through the GIRFEC pathways model (changed from Staged Intervention and Assessment Process)

- Our support is provided to all children and young people using the GIRFEC pathways model

- Every learner may require additional help and support; this support need is identified by teaching staff and addressed through various interventions.
- Curriculum for Excellence (CfE) continues to allow curriculum flexibility to address the needs of the individual learner
- More Choices, More Chances Team continues to support schools to deliver Personal Learning Pathways which include aspects of curriculum flexibility, alternative curriculum choices and access to post-school positive destinations
- The curriculum pathway model supports schools and learning communities to identify appropriate support for young people at transition and in curriculum choices
- Every member of staff has had access to trained on the GIRFEC pathway including wellbeing assessments and the development of individual Child Plans
- Support for our most vulnerable learners continues to be provided through local provision (Lomond View and Craigmarnoch)

Education Outcome 2 – All staff use equalities guidance to promote equal opportunities, fairness, good relations and positive attitudes to members of their community

- All schools continue to reflect the Equality Guidance in their School Values and Mission Statements
- Generally a greater understanding and awareness of Equality issues across education.
- Health and Wellbeing indicators are “responsibility of all” and embedded across the 3 – 18 curriculum
- The Health and Wellbeing School Survey/Student Questionnaire reported on in the last mainstreaming report has resulted in the second annual Clyde Conversations conference for young people and relevant partner agencies. Themes of workshops were chosen by young people and included teenage sexual health and LGBT+

Education Outcome 3 – All school communities recognise and respect people of diverse age, race, faith, gender, sexual orientation, disability and ethnic culture

- All schools have had equalities in their school development plans which has informed part of their standards and quality reporting process. This is now part of the mainstreaming reporting process for schools as they analyse self-evaluation.
- School Values and Mission/Vision statements reflect equality act
- Staff training / Professional Learning opportunities for all
- Health and Wellbeing covers many areas of Equalities and is the “responsibility of all”
- Secondary School - Mentors Against Violence Programme MVP
- Primary and Secondary Peer Support programmes
- Differing models of PSE delivered across all secondary schools –
- Reduction in number of complaints relating to equality issues
- Inverclyde continues to develop opportunities for schools to gain accreditation as Rights Respecting Schools. St Columba’s was the first school in Scotland to gain a level 2 accreditation, and now has been joined by another 4 Inverclyde schools. Newark Nursery was the first early years establishment to gain the early years award and St Andrews was the first school to gain the award in

Gaelic. We are the first place in the world to run the RRSA within our residential units who have all gained their ROC (recognition of commitment) award and are all working towards level 1.

- Schools involved in International Education programmes such as our Malawi link programme, exploring and respecting other cultures and values
- Social Enterprise Programmes – ethical business
- Most schools engage in a number of charity projects often engaging the wider school community

3. Education Authority - Employee Profile

3.1 Headcount Information

For the purposes of this mainstreaming report the headcount figure which is used represents each unique individual who works for Education Services within Inverclyde Council. Some employees have more than one job within the organisation and therefore the headcount figure used here, and for the breakdown of protected characteristics, will be less than other figures which express the number of jobs within the Council.

3.2 Gender

It can be seen from the charts below that nearly 80% female staff are employed within the Education Authority which reflects the main roles within this sector, namely: teaching, catering and support staff.

3.3 Age

Age Breakdown of Education Staff

Education Staff	2014/15		2015/16	
	Count	Percentage	Count	Percentage
16 - 19 years	0	0.0%	0	0.0%
20 - 29 years	112	12.4%	116	14.0%
30 - 39 years	235	26.0%	226	27.3%
40 - 49 years	200	22.1%	206	24.8%
50 - 59 years	277	30.7%	227	27.4%
60 - 65 years	78	8.6%	53	6.4%
Over 65 years	<5	0.1%	<5	0.1%

The data shows that the age profile within Education is remaining relatively stable with the biggest change relating to the 50-59 years grouping. However, as with the Council age demographics as a whole, there is a noticeable decrease in the percentage of staff who are aged below 30. Research into this may be required to understand the potential reasons for this and to ascertain whether this is a longer-term trend that needs to be addressed.

3.4 Disability

Education Staff	2014/15		2015/16	
Disability	5	0.55%	6	0.72%
No disability	287	31.78%	309	37.27%
Prefer not to answer	<5	0.44%	<5	0.48%
Null / Blank	607	67.22%	510	61.52%

There is a small improvement in the disclosure figures for 2015/16, but it is marginal. It may be necessary to explore if there is anything that could be done to help staff feel more comfortable about disclosing their personal information. (This relates to disclosure of details relating to all protected characteristics and not just disability.)

3.5 Ethnicity

Null / Blank	603	66.78%	505	60.92%

Disclosure of ethnicity has not been completed by more than half of the staff within the Education Authority and this will require further investigation to see if there is anything that can be done to improve the disclosure level.

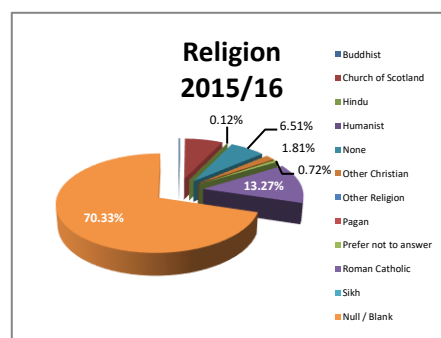

3.6 Sexual Orientation

Education Staff				
Sexual Orientation	2014/15		2015/16	
Lesbian, Gay or Bisexual	<5	0.11%	<5	0.48%

Prefer not to answer	10	1.11%	10	1.21%
Null / Blank	690	76.41%	582	70.21%

The table above shows a marked improvement in disclosure since the last mainstreaming report reducing from 92.22% for “null/blank” in 2013/14 to 70.21% for 2015/16.

3.7 Religion and Belief

Education Staff

Roman Catholic	105	11.63%	110	13.27%
Sikh	-	-	-	-
Null / Blank	689	76.30%	583	70.33%

The disclosure rate for religion has increased marginally but consideration should be given as to possible methods to improve this further.

3.8 Marriage and Civil Partnership Status

Education Staff				
Marriage/Civil Partnership	2014/15		2015/16	
Divorced / Separated	31	3.43%	29	3.50%

Widowed	5	0.55%	<5	0.24%
Prefer not to answer	42	4.65%	40	4.83%
Null / Blank	429	47.51%	353	42.58%

4. Education Authority - Leavers

4.1 Gender

Leavers (Education)	2014/15		2015/16	
Male	10	13.33%	17	23.61%
Female	65	86.67%	55	76.39%

4.2 Age

20-29 years	11	14.67%	11	15.28%
30-39 years	9	12.00%	12	16.67%
40-49 years	<5	4.00%	<5	4.17%
50-59 years	27	36.00%	16	22.22%
60-65 years	24	32.00%	28	38.89%
Over 65 years	<5	1.33%	<5	2.78%

4.3 Disability

Disability - Education Leavers	2014/15		2015/16	
Disability	-	-	<5	1.39%
Not disabled	22	29.33%	25	34.72%
Prefer Not to Answer	-	-	-	-
Blanks	53	70.67%	46	63.89%

As can be seen from the above table, the level of non-disclosure for Education Leavers is extremely high, albeit there is a gradual improvement for 2015/16 when compared to 2014/15. It will be important to undertake a review of Education disclosures to see if it can be improved to reflect the levels within other Council services.

4.4 Ethnicity

Ethnicity - Education Leavers	2014/15		2015/16	
White				
a. Scottish	14	18.67%	20	27.78%
b. English	<5	1.33%	<5	2.78%

a. Arab	-	-	-	-
b. Other	-	-	<5	1.39%
Prefer not to answer			-	
Null / Blank	53	70.67%	46	63.89%

4.5 Sexual Orientation

Education Leavers	2014/15		2015/16	
Lesbian, Gay or Bisexual	-	-	<5	1%
Heterosexual/Straight	13	17%	23	32%
Prefer not to answer	<5	1%	-	-
Null / Blank	61	81%	48	67%

There is a high level of null/blanks for sexual orientation, but there is still a significant increase in reporting figures since the last mainstreaming report (90.15% null/blank in 2013/14).

4.6 Religion or Belief

Education Leavers	2014/15		2015/16	
Buddhist	-	-	-	-
Church of Scotland	<5	1.33%	6	8.33%
Hindu	-	-	-	-
Humanist	-	-	-	-
None	<5	2.67%	7	9.72%
Jewish	-	-	-	-
Muslim	-	-	-	-
Other Christian	<5	2.67%	-	-
Other Religion	-	-	-	-
Pagan	-	-	-	-
Roman Catholic	8	10.67%	11	15.28%
Sikh	-	-	-	-
Prefer not to answer	-	-	-	-
Null / Blank	62	82.67%	48	66.67%

As with sexual orientation, there is a high level of null/blank responses for religion or belief. As can be seen in the tables below, leavers appear to be more comfortable to disclose their marriage and civil partnership status than some other categories. Staff should never be made to feel pressurised to provide their personal details, but a “prefer not to answer” response would be preferable to a null/blank response.

4.7 Marriage and Civil Partnership Status

Marriage/Civil Partnership	2014/15		2015/16	
Divorced / Separated	<5	4.00%	<5	1.39%
Living with Partner	5	6.67%	5	6.94%
