1. Overview of Service

1.1 Service Management Structure

1.2 Service Description

Inverclyde HSCP provides a range of Mental Health Services that cover many aspects of care, from promoting better mental health in the community through to providing in-patient care for people with severe and enduring illness.

Our Mental health support services are located throughout Inverclyde and include community day services and inpatient services and the range of interventions and services include:

- Primary Care Supports and Psychological Interventions
- Integrated Community Mental Health Teams
- Crisis Response and Out of Hours Support
- Acute admission beds and Intensive psychiatric care beds – Langhill Clinic & hospital based complex care – Orchard View
- Liaison with Acute Health Services at IRH
- Service that support people to live independently and promote recovery

2. Statement of Service Objectives

- To deliver excellent personalised care, treatment and support which anticipate and prevent the development of illness
- To help people receive care in local community settings where possible.
- To help people receive care which maximises recovery and minimises the disabling impact of their illness
- To help people receive care on a timely basis in good quality services which are acceptable to service users and their carers.
- To help people to live well and promote mental wellbeing.
- To ensure all patients and their carers have a positive experience.
- To work in partnership with other agencies to tackle the causes of ill health.

The focus of the Service is to ensure the health and wellbeing of those we serve and to be a leader in the development of mental health care and treatment thus helping to deliver the Council's corporate vision of **Getting it Right for Every Child, Citizen and Community**.

A diagram showing how the Service contributes to *Getting it Right for Every Child, Citizen and Community* and how the Service will promote the development of the 'SHANARRI' key wellbeing indicators that the Council wishes to 'get right' for all Inverclyde's citizens is contained within Appendix 1.

3. Inverclyde Outcomes Improvement Plan

The service contributes to delivery of the following priorities within Inverclyde's Outcomes Improvement Plan.

Inequalities

There will be low levels of poverty and deprivation and the gap in income and health between the richest and poorest members of our communities will be reduced.

4. Corporate Plan Organisational Priorities

Organisational priority 1:

To work collaboratively to enable strong, connected and empowered communities, particularly in areas of deprivation, so that residents have influence and control over the things that matter to them

Organisational priority 2:

To reduce the prevalence of poverty in our communities, with a particular focus on reducing child poverty

MENTAL HEALTH, ADDICTIONS AND HOMELESSNESS

Organisational priority 3:

To safeguard, support and meet the needs of our most vulnerable families and residents

Organisational priority 4:

To improve the health and wellbeing of our residents so that people live well for longer

Organisational priority 5:

To deliver services that are responsive to community needs and underpinned by a culture of innovation, continuous improvement and effective management of resources

Organisational priority 6:

To develop motivated, trained and qualified employees that deliver quality services that meet current and anticipated service needs

5. Our Commitment to our Customers

- We will ensure our services are delivered in such a way that the dignity and respect of service users is preserved.
- We will respect and value uniqueness and diversity whilst recognising and building on the strengths of the individual.
- We will promote people's right to choice, confidentiality and protection.
- We will assist people to improve the quality of and increase their control over their own lives.
- We will operate in a manner that does not stigmatise or disadvantage individuals, groups or communities.
- We will promote equality of opportunity and access to services and not discriminate against people or groups on grounds of age, race, religion, sexual orientation, gender or disability.
- We will work in partnership with users, carers and other providers of services to ensure continuous improvement in our performance.

6. What You Can Expect From Us

- We will promote mental health for all, working with individuals and communities.
- We will deliver high quality mental health care.
- We will ensure that anyone with a mental health problem can access local services.
- We will ensure that individuals with severe and enduring mental illness have a care plan which meets their specific needs, including access to services round the clock.
- We will provide safe hospital accommodation for individuals who need it.
- We will enable individuals caring for someone with severe mental illness to receive support which they need to continue to care.

7. Service Standards

As an HSCP, while there are common fundamental standards around respect; gaining trust and confidence and being accountable that we expect of all our staff, we also recognise the unique professional roles and expect staff to adhere to their respective professional bodies' standards as outlined below.

The Scottish Social Services Council (SSSC) agreed a *Code of Practice (2002)* for social service workers and employers can be found on:
