3.0 BACKGROUND AND CONTEXT

- 3.1 Councillor McCabe was appointed as Leader of the Council at its statutory meeting on 19 May 2022. On 15 November 2024, Councillor McCabe tendered his resignation as Leader of the Council.
- 3.2 Councillor Curley was appointed by the Council to the board of River Clyde Homes on 19 May 2022. On 15 October 2024, Councillor Curley tendered his resignation from this appointment.
- 3.3 Councillor Quinn was appointed by the Council to the board of Inverclyde Leisure on 19 May 2022. On 27 November 2024, Councillor Quinn tendered her resignation from this appointment.
- 3.4 The Council has been notified that Councillor McCabe has been administratively suspended from the Labour Party and, as such, Councillor McCabe currently sits on the Council as an independent member.
- 3.5 Following a by-election on 7 November 2024, Councillor Ian Hellyer was elected as a member of the Council in respect of Ward 5 (Inverclyde West).
- 3.6 As a result of Councillor McCabe's resignation as Leader, it is recommended that the Council elects a new Leader and nominations to this post are invited. Elected Members have been provided with more information on the role of the Leader in the Members' Handbook.

As a result of Councillor Curley's resignation from the board of River Clyde Homes, it is recommended that the Council appoints a new member and nominations to this post are invited.

As a result of Councillor Quinn's resignation from the board of Inverclyde Leisure, it is recommended that the Council appoints a new member and nominations to this post are invited.

- 3.7 Further, the occurrence of each of the events set out in paragraphs 3.1, 3.4 and 3.5 means that the membership of the Council's Committees, Sub-Committees, Boards and Outside Bodies (where appropriate) requires to be reviewed. Paragraph 59 of the Scheme of Administration requires the Council to ensure that, in so far as is practicable, the appointments to Committees, Sub-Committees, and Outside Bodies (where more than two representatives of the Council are required) reflect the balance of representatives on the Council.
- 3.8 The previous political balance approved at the 26 September 2024 meeting of the Council meant the representation on all of the Council's Standing Committees and Boards of 11 Members was as follows:
 - Labour – 4 Members
 - SNP – 3 Members
 - Independent Alliance – 1 Member
 - Conservative and Independent Affiliation – 1.5 Members
 - Independent (Councillor Quinn) – 0.5 Member
 - Independent (Councillor Law) – 0.5 Member
 - Vacancy to be filled at the forthcoming by-election – 0.5 Member

- 3.9 The alteration in political balance on the Council means that membership of the Council's Committees, Sub-Committees, Boards and Outside Bodies (with more than two representatives) needs to change where appropriate to reflect the position.
- 3.10 Following the occurrence of the events set out in paragraphs 3.1, 3.4 and 3.5, the political balance for the Standing Committees and Boards comprising of 11 Members has been altered as shown in Appendix 1(b) and as set out as follows:
- Labour – 4 Members
- SNP – 3 Members
- Independent Alliance – 1 Member
- Conservative and Independent Affiliation – 1.5 Members
- Independent (Councillor Quinn) – 0.5 Member
- Independent (Councillor Law) – 0.5 Member
- Independent (Councillor McCabe) – 0.5 Member
- 3.11 The new political balance means that representation of all parties and each existing independent member is unchanged and that, as an independent member, Councillor McCabe entitled to representation of 0.5 on each of these Committees and Boards.
- 3.12 For Members' ease of reference, Appendix 1(a) sets out the existing and Appendix 1(b) sets out the new political balance on the main Committees and Boards and Appendix 2 details the existing party-by-party representation on these.
- 3.13 A proposal for membership of the Council's Committees, Boards and Outside Bodies to give effect to the new political balance, is set out Appendix 6. This is simply a proposal and its acceptance is, of course, entirely within the discretion of the Council.
- 3.14 It should be noted that the proposal in Appendix 6 include changes requested by some members or political groups which are not as a result of and do not impact political balance. It should also be noted that the proposals set out in Appendix 6 do not represent exact political balance and it is for members to decide whether to agree to these or not.
- 3.15 The existing and new political balance on all Committees is summarised below:

- 3.16 When considering adjustments to the membership of Committees to reflect the present political balance, the Council should seek to ensure that the replacement Member on each of the main Committees reflects the political balance as far as possible and in line with what each member may wish as individuals.
- 3.17 Appendix 2 sets out the existing membership of the Committees, Sub-Committees and Boards. Appendix 3 sets out the new membership to address the new political balance.
- 3.18 The Licensing Board is a separate statutory body and there is no formal requirement to include it in the current re-balancing exercise. Furthermore, there is a requirement that any Member of the Licensing Board must complete mandatory training before sitting on the Board. In the circumstances it is proposed that the Licensing Board is excluded from the re-balancing exercise.

REPRESENTATIVES TO OUTSIDE BODIES

- 3.19 In terms of Paragraph 59 of the Council's Scheme of Administration, the Council requires to ensure that appointments to Outside Bodies reflect as far as practicable the balance of political representation on the Council where more than two representatives of the Council are required.
- 3.20 The Council's Scheme of Administration requires that appointments to Committees, Sub-Committees and Boards reflect as far as possible the political balance of the Council. In respect of Outside Bodies where more than 2 representatives of the Council are required the same requirements apply, albeit that wider discretion is often required in this case. This discretion can take into account Member availability for the range of tasks and attendances involved with the respective Outside Bodies. This discretion appears also to have accommodated, at times, a less formal political balance among the individual political parties with a general balance being attained informally between the Administration and the Non-Administration groups overall, rather than a party-by-party split.
- 3.21 As listed in Appendix 4, there are 12 Outside Bodies where more than 2 representatives of the Council are required and the current political membership of each Outside Body with more than 2 representatives is set out.
- 3.22 The current party-by party-balance is set out for information and guidance in Appendix 4. The party-by-party approach can be modified by the Council if it wished to take account of pressures on Members or their individual wishes for representation on the Outside Bodies by a more general arrangement based on the overall proportion of Administration Members to all Non-Administration Members.
- 3.23 Appendix 5 sets out the new political balance in respect of Outside Bodies (more than 2 representatives) following the events detailed at paragraphs 3.1, 3.4 and 3.5.
- 3.24 Appendix 6 sets out a proposal for membership of the Council's Committees, Sub-Committees, Boards and Outside Bodies to reflect the new political balance. As stated above, this includes additional changes requested by some members or political groups which are not as a result of and do not impact political balance. This sets out a suggestion only and it is, of course, entirely within the discretion of the Council to agree. It should be noted that the proposals set out in Appendix 6 do not represent exact political balance.

4.0 PROPOSALS

4.1 It is proposed that the Council:

- (a) elects a new Leader of the Council after having considered nominations to this position;
- (b) appoints a new member to the board of River Clyde Homes;
- (c) appoints a new member to the board of Inverclyde Leisure;
- (d) notes the new political balance applying to Committees, Sub-Committees, Boards and Outside Bodies as detailed in the Appendices; and
- (e) makes adjustments to the membership of its Committees, Sub-Committees, Boards and Outside Bodies as required; and
- (f) notes the proposals for such membership as set out in Appendix 6.

- **Where alternatives are given (e.g. "0 or 1" or "2 or 3"), then it would be for the groups in question to seek to agree the specific arrangements to effect the solution for their respective numerical entitlement, with the requirement in the Council's Standing Orders to seek to achieve a balance of political representation being capable of being met by those groups agreeing to alternate representation where the same applies to more than 1 appointment. It is, however, to be noted that where 4 representatives are sought all four groups need to be involved in that discussion, and not just two.
