

# Comments for Planning Application 24/0141/IC

## Application Summary

Application Number: 24/0141/IC

Address: A78 Lay-By At Inverkip

Proposal: Siting of a containerised food servery/take away outlet

Case Officer: David Sinclair

## Customer Details

Name: Mr Alexander Anderson

Address: Torbeg main Street Inverkip PA16 0AS

## Comment Details

Commenter Type: Member of Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: My concern is for the safety of the young people who may increase in numbers with the attraction of fast food outlet. Presently young people are passing in the cul-de-sac on Main Street and crossing at a blind spot on the A78.

They cannot see the cars approaching from Wemyss Bay at speed and I would not like to hear of injury or fatality.

Although tea and coffee would be good for those parking at the point, the debris from fast food throw away containers may detract from the area. This would negate the good work of the group who undertake litter pick.

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: My comments stand as per those submitted to the original plan.

My main concern remains the safety of the young people crossing the A78 at a blind corner and unable to see fast traffic approaching from Wemyss Bay.

This however might be more an issue for the Community Wardens who monitor the visiting children at the beach areas.

Last weekend my friend counted over 73 children on the platform for the train - 10.00 pm Wemyss Bay to Glasgow.

## Customer Details

Name: Mr Kenneth MacKenzie

Address: 8 Kinloss Place Ardgowan Brae Inverkip PA16 0HF

## Comment Details

Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: 1. The siting of this establishment so close to the War Memorial and memorial benches is disrespectful to their memories and that of their families.

2. There would be a reduction of valuable parking spaces in such a small area.

3. It is currently difficult for cars to leave the car park turning south due to the lack of view and speed of other vehicles and an increase of cars would only enhance this issue.

4. There are public toilets within this area and a food establishment so close to this is unhygienic.

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: There is absolutely no need for a takeaway in this location . There is a cafe in Inverkip Marina which is 5 minutes away . There is a war memorial situated nearby and this is disrespectful. if approved will only add to the mess that has to be cleared up by locals as Inverclyde's council do not sweep the streets anymore leaving volunteers from the local church group to do it for them !!!

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This would be a great addition to the area. I frequently pass this area when dog walking and often thought it could do with a takeaway van to grab a roll & coffee to sit and enjoy the views. Lots of visitors are around during good weather and would welcome a food & drink outlet.
