<b>Subject:</b>	<b>West of Scotland Archaeology Service Joint Committee - Vacancy</b>	

---

## **1.0 PURPOSE**

- 1.1 The purpose of this report is to request the Council to appoint a representative to service on the West of Scotland Archaeology Service (WoSAS) Joint Committee following the resignation of Councillor Osborne. The Council is also asked to appoint a substitute as requested by the organisation.
- 1.2 The Joint Committee, generally, meets only once per year although special meetings have been convened if business requires this.
- 1.3 The Safe, Sustainable Communities Committee at its meeting on 8 March 2011 (para 186) approved the withdrawal of Inverclyde Council from WoSAS with effect from 1 April 2013 so any Council appointments would only be until that date.

## **2.0 RECOMMENDATION**

- 2.1 The Council is asked to appoint a representative and substitute to serve on the Joint Committee of the West of Scotland Archaeology Service.
